

Setting up Application Environment

Create Sendgrid Account

STEP 1 : Go to the official website <https://sendgrid.com/>

The screenshot shows the Twilio SendGrid homepage. At the top is the navigation bar with the Twilio SendGrid logo, links for Products, Why SendGrid, Resources, Developers, Pricing, Contact Us, Sign In, and a blue 'Start for free' button. The main hero section features the headline 'Deliver Exceptional Email Experiences with SendGrid' and a sub-headline 'Leverage the email service that customer-first brands trust for reliable inbox delivery at scale.' Below this is a 'See Plans & Pricing' button and a 'Start For Free →' link. To the right is an illustration of two people working at a desk with multiple monitors. A secondary banner at the bottom promotes 'The new rules of customer engagement' with a 'Read the report' button.

STEP 2 : Click on “Start for free” and register by entering required details and click on create account

STEP 3 : Fill all the details in the next page and click get started

STEP 4 : Your Sendgrid account is Created successfully and now you get access to the dashboard
