

## Setting up Application Environment

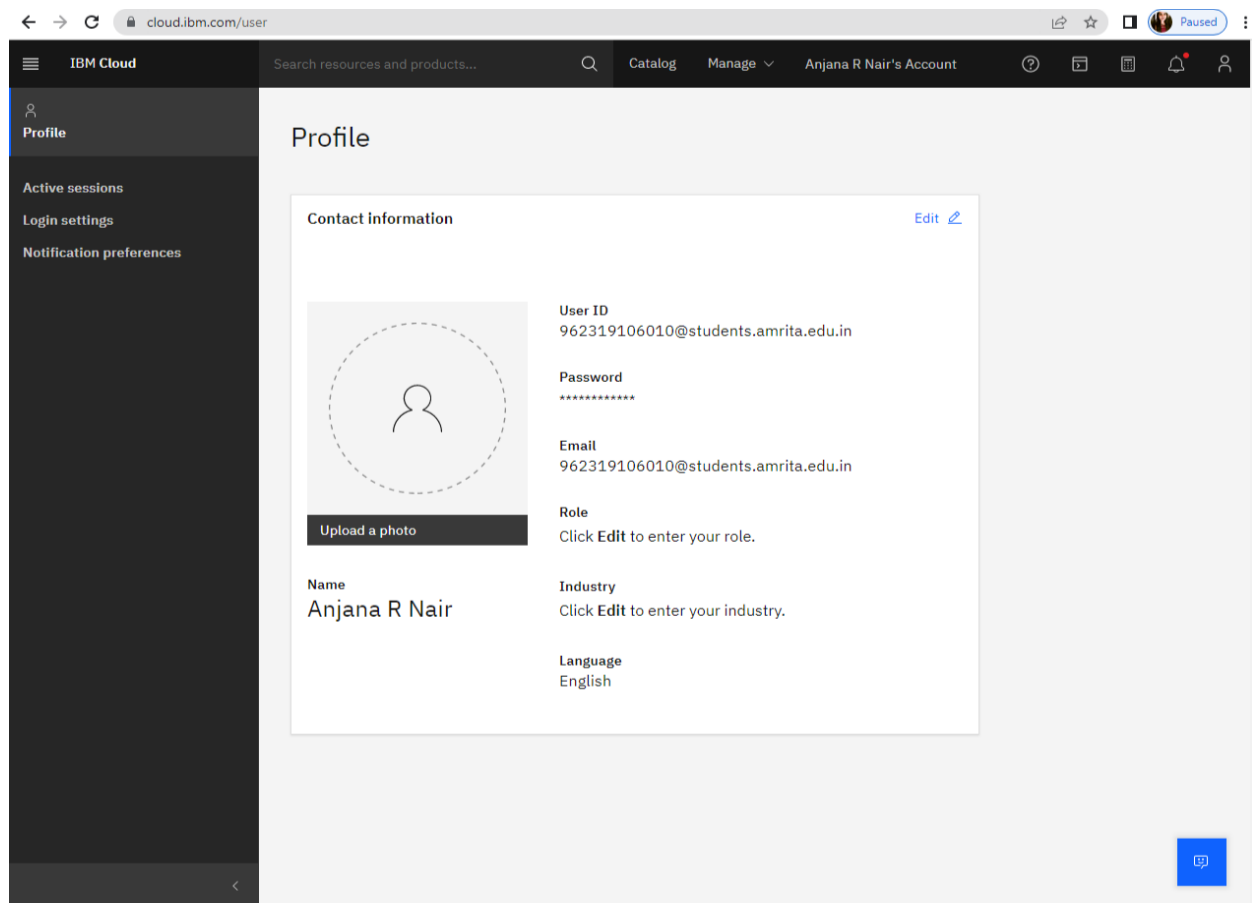

### Create IBM Cloud Account

**STEP 1:** Go to the official website <https://cloud.ibm.com>

**STEP 2:** Enter your Login Credentials

**STEP 3:** Create your Account

#### IBM Cloud Profile :

The screenshot shows the IBM Cloud user profile page. The browser address bar displays 'cloud.ibm.com/user'. The page has a dark sidebar on the left with the 'IBM Cloud' logo and navigation links: 'Profile', 'Active sessions', 'Login settings', and 'Notification preferences'. The main content area is titled 'Profile' and contains a 'Contact information' section with an 'Edit' link. The profile details are as follows:

| Field    | Value                                     |
|----------|---|
| User ID  | 962319106010@students.amrita.edu.in       |
| Password | *****                                     |
| Email    | 962319106010@students.amrita.edu.in       |
| Role     | Click <b>Edit</b> to enter your role.     |
| Name     | Anjana R Nair                             |
| Industry | Click <b>Edit</b> to enter your industry. |
| Language | English                                   |

There is an 'Upload a photo' button next to a dashed circular placeholder for a profile picture. A blue chat icon is visible in the bottom right corner of the page.
